After you determine your aim, you have to figure out what your audience's need is in your ebook. For instance, does your e-book remedy a specific drawback? If it does, and solves it in a manner that hasn't been written about in one hundred other ebooks, you'll be in a position to achieve excessive

sales at a high price. In case your ebook solves an issue or solutions questions in a brand new and distinctive method, you need to worth your e book as excessive as you'll be able to go. If you wish to see large profits over customer draw, goal for an viewers that is in search of straightforward options to their issues at a low price. If your ebook is geared toward solving one explicit downside quite than basic advice, then you can cost more.
