Nonetheless, in case your ebook incorporates valuable ? and extra importantly NEW info, references, or methods ? then you should purpose to cost it on the high end.

After you determine your goal, you will need to determine what your audience's want is on your ebook. For example, does your book solve a specific problem? If it does, and solves it in a way that hasn't been written about in 100 other ebooks, you may be in a position to achieve high sales at a excessive price. If your ebook solves an issue or answers questions in a new and distinctive method,

you should worth your e book as high as you possibly can go. You'll achieve bigger profits this way, but herald fewer customers. If you wish to see large profits over buyer draw, intention for an viewers that is searching for straightforward solutions to their issues at a low price. web page, and includes your promoting-deal with sentence. Then determine for every web page the conversion ratio between visitors to your web site and gross sales of your book. It will let you know what your optimum worth is.
