Do this by creating a sales page for the brand new guide, however don't include a worth on that page. As an alternative, add quite a few hyperlinks to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

Another technique is to check out prices by creating a variety of duplicate gross sales pages with different prices on every page. Make certain your sales copy is precisely the identical on each web

page, and consists of your selling-deal with sentence. Then work out for every web page the conversion ratio between guests to your web site and sales of your book. It will let you know what your optimum price is.

Ultimately, should you've written a ebook that solves a downside or presents a new technique, your book will herald both traffic and profits. So you'll want to write that promoting-deal with sentence that sums up what drawback your ebook solves and what the advantages of your 391 guide might be to the shoppers who purchase it.
