As an alternative, add quite a few hyperlinks to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

One other technique is to check out costs by creating a variety of duplicate gross sales pages with completely different costs on each page. Be certain that your gross sales copy is exactly the same on every page, and contains your promoting-handle sentence. Then work out for each page the conversion ratio between guests to your site and gross sales of your book. It will let you know what your optimum value is.

Finally, if you've written a e book that solves a problem or presents a brand new approach, your book will bring in both visitors and profits.
