Do this by making a sales web page for the new e book, but do not embody a value on that page. As a substitute, add a variety of hyperlinks to survey questions that ask pointed questions to help you in assigning a price to your ebook.

Another strategy is to check out prices by creating a variety of duplicate sales pages with totally different prices on every page. Ensure your gross sales copy is strictly the same on every web page,

and contains your promoting-deal with sentence. Then work out for every page the conversion ratio between visitors to your site and gross sales of your book. This may tell you what your optimum value is.

Ultimately, in case you've written a e-book that solves a drawback or presents a brand new method, your guide will herald both visitors and profits.
