One other strategy is to check out costs by creating a number of duplicate gross sales pages with completely different costs on every page. Be sure your sales copy is exactly the same on every page,

and includes your promoting-handle sentence. Then figure out for each page the conversion ratio between guests to your site and sales of your book. This can let you know what your optimum worth is.

Finally, in case you've written a ebook that solves a downside or presents a new technique, your e book will herald both traffic and profits.
