Do that by creating a gross sales page for the new e-book, however don't include a worth on that page. As an alternative, add plenty of links to survey questions that ask pointed questions to help you in assigning a price to your ebook.

One other strategy is to test out prices by making a number of duplicate sales pages with completely different prices on every page. Be sure that your gross sales copy is precisely the same on each web page, and includes your selling-deal with sentence. Then determine for each web page the conversion ratio between visitors to your website and gross sales of your book. This may tell you what your optimum price is.

In the end, should you've written a e-book that solves a downside or presents a brand new approach, your guide will bring in each site visitors and profits.
