price. Do that by making a sales page for the new guide, but do not embrace a value on that page. As a substitute, add a number of links to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

Be certain that your sales copy is precisely the same on every page, and includes your selling-deal with sentence. Then work out for each web page the conversion ratio between visitors to your site and gross sales of your book. This can let you know what your optimum value is.
