Do this by creating a sales web page for the brand new ebook, but do not embrace a price on that page. Instead, add numerous links to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

Another technique is to test out costs by making a number of duplicate gross sales pages with completely different prices on every page. Be certain your gross sales copy is strictly the

identical on each page, and contains your promoting-deal with sentence. Then figure out for each page the conversion ratio between guests to your website and gross sales of your book. This may tell you what your optimum worth is.

In the end, in case you've written a e-book that solves a problem or presents a new approach, your guide will usher in each site visitors and profits.
