that by creating a gross sales page for the new book, but do not embrace a worth on that page. As a substitute, add a variety of hyperlinks to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

Another technique is to test out prices by making a number of duplicate sales pages with totally different costs on each page. Be certain that your sales copy is precisely the similar on every web page, and includes your selling-deal with sentence. Then determine for each web page the conversion ratio between guests to your website and sales of your book. It will inform you what your optimum price is.
