by making a sales page for the new e book, but don't embrace a price on that page. Instead, add a lot of links to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

Another strategy is to check out prices by creating a variety of duplicate sales pages with totally different costs on each page. Be certain that your gross sales copy is precisely the same on each page, and contains your selling-deal with sentence. Then determine for each web page the conversion ratio between visitors to your website and gross sales of your book. This will inform you what your optimum value is.
