Another strategy is to test out prices by creating a number of duplicate gross sales pages with different prices on every page. Be sure your sales copy is precisely the identical on every page, and contains your selling-deal with sentence. Then work out for every web page the conversion ratio between guests to your site and sales of your book. This will let you know what your optimum price is.

In the end, if you happen to've written a ebook that solves a problem or presents a brand new method, your e-book will usher in each site visitors and profits.
