price. Do this by creating a sales web page for the new ebook, however do not embody a value on that page. As an alternative, add numerous hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

One other strategy is to test out costs by creating a variety of duplicate sales pages with different prices on each page. Make sure that your sales copy is exactly the same on every web page, and consists of your promoting-deal with sentence. Then figure out for each web page the conversion ratio between guests to your site and sales of your book. This may inform you what your optimum price is.

Finally, should you've written a guide that solves a problem or presents a brand new approach, your e book will usher in both traffic and profits.
