price. Do this by making a gross sales web page for the new guide, however don't include a value on that page. As an alternative, add numerous hyperlinks to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

One other strategy is to check out costs by making a number of duplicate gross sales pages with totally different costs on every page. Be sure your sales copy is exactly the same on every web page, and consists of your selling-handle sentence. Then work out for each page the conversion ratio between visitors to your web site and gross sales of your book. This can let you know what your optimum value is.
