An effective method for determining a price is to send out a survey to your current customers. If these customers have already purchased an ebook from you, ask for his or her opinion in terms of price. Do that by creating a gross sales web page for the brand new e book, but don't embody a worth on that page. Instead, add plenty of hyperlinks to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

Another strategy is to check out costs by making a number of duplicate gross sales pages with different costs on every page. Make sure that your sales copy is strictly the identical on every web

page, and consists of your promoting-handle sentence. Then determine for each page the conversion ratio between visitors to your site and gross sales of your book. It will inform you what your optimum value is.

Finally, in case you've written a e-book that solves a downside or presents a brand new approach, your ebook will herald both site visitors and profits. So be sure you write that selling-deal with sentence that sums up what downside your ebook solves and what the benefits of your 932 book will be to the purchasers who buy it.
