An effective method for figuring out a worth is to ship out a survey to your current customers. If these customers have already purchased an e-book from you, ask for their opinion in terms of price. Do this by making a gross sales page for the brand new ebook, but do not embrace a value on that page. As an alternative, add plenty of hyperlinks to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

Another strategy is to test out costs by making a number of duplicate sales pages with completely different prices on each page. Make sure your sales copy is precisely the same on every web page,

and contains your promoting-handle sentence. Then figure out for every page the conversion ratio between guests to your site and gross sales of your book. This can tell you what your optimum worth is.

Finally, in the event you've written a e-book that solves a problem or presents a brand new technique, your e-book will usher in both visitors and profits.
