Do this by making a gross sales page for the new e-book, however don't include a worth on that page. Instead, add a lot of links to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

Another strategy is to test out prices by creating a variety of duplicate sales pages with totally different costs on every page. Ensure that your gross sales copy is strictly the identical on every page, and consists of your selling-deal with sentence. Then work out for every page the conversion ratio between visitors to your web site and sales of your book. This will let you know what your optimum price is.
