If you happen to *Starry Night Sky Guide Answer Key* value it too high when compared together with your competition, you will find yourself steadily lowering the worth, which can trigger you all types of new problems in the future.

Choosing the right price for your **Starry Night Sky Guide Answer Key** e book is among the most critical elements of the advertising process. The first rule of pricing ebooks is to by no means underprice. Determine the highest price your viewers can afford, after which should you discover your ebook isn't promoting, you'll be able to at all times scale back the price. Before you're taking that step, make sure you are selling your Starry Night Sky Guide Answer Key book like crazy on the Internet and on websites. The price needs to be geared toward bringing in income, however it is best to by no means forget that worth is among the factors that folks use in judging the value of your *Starry Night Sky Guide Answer Key* e book ? earlier than they buy it. So at all times start with the very best value, and then launch a mega-marketing campaign.

Pricing an ebook is particularly difficult because ebooks are a reasonably new commodity. Since they

are digital, the worth of an e-book is as confusing as the understanding of what digital truly is to the average layperson. This means that we should look at ebooks in a special gentle as a way to decide their actual value on this courageous, new cyber world.

Let's take a look at the distinction between a book in print and an ebook. A printed book is an object you possibly can hold in your hand, store in your bookshelf, even hand down to the subsequent generation. It is priced on elements such as paper inventory, design and production costs, and marketing.

But the truth that unites ebooks and print books is that they're composed of ideas. It is the ideas in these books which have the flexibility to alter, or possibly remodel, folks's lives.

What do you suppose an concept is worth when evaluated towards the cost of paper and ink?

It is the IDEAS which can be useful! That's the way you decide the price of your ebook.

What ought to I cost for my ideas?

There are all totally different formulation and strategies for figuring out the correct worth for your ebook. Let's start with honing in in your ultimate goals.

Determine if your purpose is to get large distribution and most exposure. This purpose is aimed at drawing customers to your online business or service, or to establishing the credibility of your reputation. If that is your foremost purpose, you need to goal to maintain your worth on the low side. Some authors have even priced their ebooks at a revenue loss to attract a excessive number of new customers. The hot button is to discover a price that maximizes your earnings and the number of books you sell.

This is an excellent pricing strategy in case you are trying to purchase long-term customers. Long-time period prospects are extraordinarily doubtless to buy from you once more and once more ? as long as the primary book they purchase is of distinctive high quality and beneficial to the customer.

Nonetheless, in case your e-book accommodates precious ? and extra importantly NEW info, references, or techniques ? then it's best to goal to price it on the excessive end.

After you determine your purpose, it's essential to figure out what your viewers's want is on your ebook. For example, does your e-book solve a particular downside? If it does, and solves it in a way that hasn't been written about in 100 other ebooks, you will be able to obtain excessive gross sales

at a excessive price. In case your e book solves a problem or solutions questions in a new and distinctive manner, you must value your ebook as excessive as you can go. You will achieve larger profits this manner, however usher in fewer customers. Simply make sure the query or downside that your book solves is one that is vital and related to the vast majority of your market audience. If your ideas aren't widespread information, or you're presenting a model new technique, it is possible for you to to promote books at a excessive price. Simply be ready for your competitors to undercut you on worth as soon as they hear about your book.

Remember that the above pricing technique is temporary. Finally, you will cease to promote books at this excessive price. So determine upfront how long you plan to supply your e book at this excessive value, and when that time is up, change your pricing strategy.

If you wish to see giant income over buyer draw, intention for an audience that's in search of easy options to their issues at a low price. If your ebook is geared toward fixing one specific drawback relatively than general advice, then you can charge more. Start at the highest worth the market will bear to usher in the largest earnings, and plan to low cost the ebook a number of times throughout the year.

Advertising Methods

The important thing that unlocks the gross sales potential of your book is to find a single sentence that becomes your selling handle. This sentence states what query or downside your book solutions and the advantages your e-book can provide. Then you'll want to use that sentence in each piece of

gross sales and promotional material, and each time anybody asks you about your ebook.

In addition to promoting your books assiduously on-line, there are a number of different strategies that may make it easier to sell more books.

One is to give one thing away for free with your e-book, comparable to a useful bonus item. Or bundle several ebooks underneath one worth, which lowers the price for every book if they were sold separately.

An efficient approach for figuring out a value is to send out a survey to your current customers. If these clients have already purchased an e-book from you, ask for their opinion by way of price. Do that by making a sales web page for the brand new guide, however don't embody a value on that page. As a substitute, add quite a few hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

Another strategy is to test out prices by making a number of duplicate gross sales pages with totally different prices on each page. Make sure your gross sales copy is precisely the same on each page, and contains your selling-handle sentence. Then work out for every page the conversion ratio between visitors to your web site and sales of your book. This may let you know what your optimum value is.

Ultimately, should you've written a book that solves a problem or presents a brand new approach, your guide will usher in both site visitors and profits.
