Do that by creating a sales page for the brand new e book, but don't include a worth on that page. As an alternative, add a number of hyperlinks to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

One other strategy is to test out prices by creating a variety of duplicate sales pages with completely different costs on each page. Ensure your gross sales copy is exactly the same on every

web page, and contains your promoting-deal with sentence. Then figure out for every page the conversion ratio between visitors to your web site and gross sales of your book. This can inform you what your optimum value is.
