As an alternative, add a variety of links to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

One other technique is to check out prices by making a number of duplicate sales pages with completely different prices on every page. Ensure your sales copy is precisely the identical on each

web page, and consists of your promoting-deal with sentence. Then determine for every web page the conversion ratio between guests to your website and gross sales of your book. This may let you know what your optimum price is.
