and promotional material, and each time anyone asks you about your ebook.

One is to give something away free of charge with your ebook, reminiscent of a beneficial bonus item. Or bundle several ebooks below one worth, which lowers the worth for each book if they had been bought separately.

An efficient method for figuring out a worth is to send out a survey to your current customers. If these clients have already bought an e book from you, ask for their opinion by way of price. Do that by creating a gross sales page for the new book, but do not include a worth on that page. As an alternative, add quite a lot of hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.
